Gentlemen:

The America Dog & Cat Hotel has been in business approximately 4 years at 2900 East Patrick Lane. We presently occupy over 19,000 sq.ft. The issues at hand in securing the West Sahara facility are “odor” and “noise”.

In our present unit we have a personnel staff 24 hours a day, seven days a week to ensure that urine/feces are immediately removed. In our state-of-the-art facility we strategically placed throughout the premises ionizers and filters to ensure a clean air environment at all times.

We are without doubt the absolute finest, cleanest, most upscale facility of this type in the entire United States. The comments we receive most often from our visitors is that there is absolutely no odor and that the environment is conducive to them stating “can we stay here, too!”

We intend to maintain the West Sahara facility in the same exemplary manner. We cordially extend to you an invitation to visit our premises at any time and/or to view our present facility at our web site doghotel.net.

Sincerely,

America Dog & Cat Hotel

★ LUXURY HOTELS AREN'T JUST FOR PEOPLE ★

America Dog & Cat Hotel is a new 11,000 sq. ft. state-of-the-art facility consisting of private suites; kitty villas and a 5,000 sq. ft. indoor doggie park for babies who like to play and socialize with others. In this area there are six 32" color TVs playing doggy cartoons; pleasant soothing jazz music such as ENYA and SADE...in a setting of oriental rugs, beds, pillows and toys. Also, there's an indoor grass courtyard for the babies to run, play, exercise and attend to their business. We have "play pals" who brush, and play with the babies during the day (this kind of takes the sting out of Mommy and Daddy being away.) **Doggie Daycare** is available also from **6:00a.m. – 8:00 p.m.** We have 35 huge private luxurious suites each decorated with its own color TV; jazz music; bed and oriental rug. Suites range 6' x 18' to 20' x 25' (larger than some bedrooms!). The **suites are available for overnight and long-term boarding.** Also, for the kitty babies we have a Mediterranean stucco village consisting of luxury three-story cat villas each with stain glass windows, color TV, private kitchen, bathroom and study.

We like to think of our facility as the Bellagio for pets!
